Sonatina

No Rinse Stone Cleaner *Limpiador de Piedra*

Daily Stone Cleaner and Conditioner

Sonatina No Rinse Stone Cleaner is a specially formulated no rinse, pH neutral cleaner that evaporates quickly to reduce the likelihood of streaking or water spots. Safe to use on natural or highly polished stone surfaces like marble, granite, limestone, travertine, terrazzo and other synthetic stone surfaces. Ideal for use as a spray & wipe surface cleaner in showers, counters and floors.

DIRECTIONS FOR USE

Sonatina No Rinse Stone Cleaner is ready to use. Hold sprayer 6-12 inches from the surface and apply light mist onto surface. Wipe with microfiber cloth, rag, sponge or paper towel until dry. Repeat until desired results are achieved and surface is clean. Some agitation may be required if surfaces are heavily soiled.

Sonatina No Rinse Stone Cleaner es una fórmula especial que no requiere enjuague y es un limpiador neutro de pH que se evapora rápidamente para reducir las rayas o manchas de agua. Seguro para utilizar sobre las superficies de piedra pulida, como mármol, granito, caliza, travertino, terrazo y otros sintético las superficies de piedra. Ideal para usar como limpiador de superficie en baños, mostradores y pisos.

DIRECTIONS FOR USE

es listo para usar. Mantenga el pulverizador 6-12 pulgadas desde la superficie y aplicar una ligera niebla sobre la superficie. Frote con un microfibra, trapo, esponja o toalla de papel hasta que esté seco. Repita el proceso hasta que los resultados deseados son alcanzados y su superficie esté limpia. La agitación puede ser requerida si está muy sucia.
